

# THE BEAUTY OF *Juice* PLUS<sup>+</sup>

## How Juice Plus<sup>+</sup>® contributes to HEALTHIER SKIN

“We’ve seen the clinical data showing what Juice Plus<sup>+</sup>® does inside the body,” says **Mitra Ray, Ph.D.**, a biochemist, lecturer, and co-author of *Do You Have the Guts to Be Beautiful?* (Shining Star Publishing, 2009). “What is really exciting, though, is that as your inside becomes healthier, this eventually shows up in your skin as well.”

Dr. Ray is a research biochemist who earned her Ph.D. from Stanford University. Dr. Ray’s work in cell biology—particularly as it relates to cancer, Alzheimer’s disease, and other degenerative diseases—has been funded by the National Institutes of Health and published in the journals, *Science*, *Proceedings of the National Academy of Sciences*, and the *Journal of Cell Biology*. She devotes herself today to taking the knowledge about nutrition and disease that she has gained and sharing it with audiences around the world.
